

Banner Student Web is your electronic access to:

- Request an official transcript
- Your student record – view or print unofficial transcript
- Grades – available five business days after final exam
- T2202 Tax form – used to claim post-secondary tuition fees on your Income Tax Return.

It's easy!

1. Go to www.yukoncollege.yk.ca
2. Click on Student Services (near the top of the page)
3. Click on Banner Student log-in (right hand side)
4. Enter your **User ID**. Your User ID is your 9-digit student number (eg. 000012345) as listed on your student card or registration form.
5. Enter your **PIN**. On your first visit, your PIN is your **date of birth** (ddmmyy). Repeat visitors will have changed their PIN to another six-digit number. If you forget that number, click on **Forgot PIN** and answer the security question that you entered on your previous visit.
