

ACADEMIC AND SKILL DEVELOPMENT

College Access Pathways DIPLOMA

Upgrading courses offered in math, sciences, English, computers, etc, that provide the pre-requisites for programs at Yukon College and other institutions.

English as a Second Language (ESL)

English language training for non-native speakers of English. Canadian Language Benchmark (CLB) 3-5 required for Intermediate ESL (non-credit). CLB 6-8 required for Advanced ESL (credit). Registration throughout the year for non-credit section.

ACADEMIC AND CAREER

Business Administration CERTIFICATE, DIPLOMA, TRANSFERABLE

Certificate or diploma programs preparing students for administrative management careers in business and government.

Circumpolar Studies CERTIFICATE, DIPLOMA, TRANSFERABLE

Multidisciplinary program focusing on the Circumpolar World. Delivered through the University of the Arctic, an international network of colleges and universities, including Yukon College.

Culinary Arts CERTIFICATE (F)

Eight-month program designed to meet the need for qualified cooks in the hospitality industry.

Early Childhood Development CERTIFICATE, DIPLOMA, TRANSFERABLE

Flexible programs providing opportunities for students to develop the knowledge, skills and abilities necessary to provide and evaluate quality early childhood education for young children and families.

Education - Yukon Native Teacher BACHELOR'S DEGREE

Four-year degree program emphasizing elementary education, Yukon First Nations and northern content.

Food and Beverage Operations CERTIFICATE (F)

Students in this one-year certificate program will master skills in the areas of wine, the art of eating and dining, bartending and dining room service. Students will learn in the classroom and through hands-on experience.

General Studies CERTIFICATE, DIPLOMA, TRANSFERABLE

Flexible programs that integrate general knowledge and intellectual skills with specific occupational or professional skills.

Health Care Assistant CERTIFICATE (F)

Nine-month program providing opportunities to develop the knowledge, skills and attitudes necessary to function effectively as front-line caregivers, and respected members of the healthcare team, in community and facility settings.

Heritage and Culture CERTIFICATE, TRANSFERABLE

Innovative program focusing on Yukon First Nations heritage and culture, leading to degree work in the social sciences and humanities as well as careers in heritage and culture interpretation, management and preservation.

Liberal Arts CERTIFICATE, DIPLOMA, TRANSFERABLE

Essential programs in the social sciences and humanities that build transferrable skills for future career and educational pursuits, foster social responsibility and cultural sensitivity, and instil independent reasoning and critical thinking skills.

Mineral Resources CERTIFICATE, DIPLOMA (F)

Certificate and diploma programs in geological technology providing students with the theoretical and practical background to be successful in mining and mineral exploration. Intake is every two years. The next intake is 2015.

Multimedia Communication CERTIFICATE

Diverse program combining ingenuity and technology to teach effective communication strategies through web, audio, video and print-based media.

Northern Environmental and Conservation Sciences

BACHELOR'S DEGREE

Degree program offering a northern perspective on issues such as wildlife conservation, land use and resource management under modern treaties, changes in water quantity and quality, climate change, and energy needs.

Northern First Nations Studies DIPLOMA, TRANSFERABLE

Multidisciplinary program raising awareness of the cultures, history, accomplishments, and political and national concerns of First Nations and other indigenous peoples of the Yukon, the Canadian North, and the Circumpolar World.

Northern Justice and Criminology

CERTIFICATE, DIPLOMA, TRANSFERABLE

Multidisciplinary programs in justice and criminology in a northern context, leading to degree programs or entry-level employment in criminology and fields related to criminal justice.

Northern Outdoor and Environmental Studies

DIPLOMA, TRANSFERABLE

Multidisciplinary program offering options for exploring contemporary northern environmental issues, outdoor activities, and human/environment relationships. Customizable.

ACADEMIC AND CAREER CONT'D

Northern Science DIPLOMA, TRANSFERABLE

Diploma program delivering a strong northern science focus. Prepares students for scientific or technical work in a northern environment.

Northern Studies DIPLOMA, TRANSFERABLE

Flexible, self-directed multidisciplinary diploma program focusing on northern issues.

Office Administration CERTIFICATE (F)

Nine-month full-time program providing students with the knowledge and skills required to enter the workforce as accounting clerks, administrative assistants, and general office assistants. Also available online as the Applied Business Technology Online (ABTO) program.

Renewable Resources Management DIPLOMA, TRANSFERABLE (F)

Two-year diploma program with field and laboratory components combined with wide-ranging classroom topics in biology, environmental science, first nation culture and history, aquaculture, land and renewable resource management, all with a focus on sustainability in the north. Intake is every two years. The next intake is 2015.

Restaurant Operations DIPLOMA

Combines both the Culinary Arts, and Food and Beverage Operations programs with a Capstone project where students will research, plan, and carry out an event that incorporates all aspects of food and beverage operations.

Science CERTIFICATE, TRANSFERABLE

Courses are available in mathematics and in the earth, life and physical sciences. Certificate of Science is available for students who wish to transfer into an Engineering program, or into the second year of a Bachelor of Science program at a Canadian university.

Social Work BACHELOR'S DEGREE

Four-year Bachelor degree program focusing on social work practice in northern communities.

Visual Arts CERTIFICATE, TRANSFERABLE

Foundation-year fine arts education offered through the School of Visual Arts (Yukon SOVA) in Dawson City. Transfer to a visual arts degree program at one of Canada's major art schools. (www.yukonsova.ca / 867.993.6390)

Women's and Gender Studies CERTIFICATE, DIPLOMA, TRANSFERABLE

Multidisciplinary programs looking at the lives, contributions and experiences of women; the social construction of men and masculinity; and the development and impact of gender roles in a changing world.
