

Proquest Journal Alerts

Journal alerts allow you to set up automatic e-mail notification when a new issue of a specific journal becomes available in a Proquest database.

- 1) Choose a Proquest database like Canadian Newstand or CBCA Reference & Current events. You can check other databases from this URL: <http://www.yukoncollege.yk.ca/student-life/learning-matters/learning-commons/databases>
- 2) Click on the icon to **My Research** at the top toolbar and then click **Sign into My Research**

- 3) Enter username and password. If you don't have an account, create one by clicking on "Create a My Research account".

New to My Research?

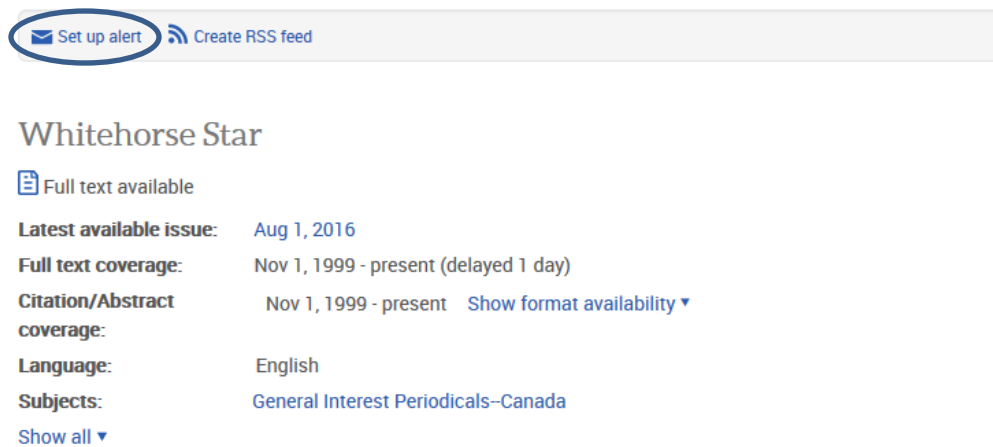

Discover more with ProQuest by creating a personal My Research account.

Setting up a My Research account is simple and free to all ProQuest users. [Learn more...](#)

- 4) After logging in, click on "Search" at the top left of the screen to return to the main interface.
- 5) Click on **Publications** along the top toolbar.
- 6) Enter the publication name in the search field and click on "Search"

7) Click on the journal/newspaper title to open the publication information page. Choose “set up alert”.

Set up alert Create RSS feed
